Avinash Singh

Engineering Student

Goal-driven creative mindset with a passion for learning and innovating. I always look forward to the opportunities where I can contribute to both self-growth along organizational growth and move with a similar vision towards success.

- **Hacktoberfest** is a month-long celebration of open source software run by DigitalOcean in partnership with GitHub and Gitlab. **Hacktoberfest** is open to everyone in our global community!

GoogleCloudReady Facilitator Participant
Google Cloud - Minnesota

04/2021 - 06/2021

Tasks
- The program will introduce you to Computing, Application Development, Big Data & Machine Learning using Google Cloud's training platform called Qwiklabs where you will learn each of these topic using self-paced labs that provides you temporary credentials to Google Cloud Platform, so you can learn the cloud using the real thing – no simulations.
- See credentials 🔗

Web Development Intern
Arise Society,Rajasthan(NGO)

07/2020 - 08/2020

Tasks
- Project on developing a fully working dynamic website using PHP and MySQL.

SKILLS

Python	c	Java	Git/Github	AWS	Unix

Data Science | Web development | SQL/MySQL

PROJECTS

Covid-19 Analysis & Prediction
- Covid-19 stats using covid api and predicting chances of covid based on some attributes with the help of python libraries.

Meme Generator
- This is a react.js project ,with the help of this app you can generate instant memes and can download it to your system.
- Project link 🔗

Portfolio Website
- Made portfolio website to show case my skills using HTML , CSS and JavaScript 🔗

CERTIFICATES

Machine Learning by Stanford University (07/2021 - 09/2021) 🔗
This is course just awesome. You get everything you wanted from this course. It covers on all topics in detail, helps in getting confidence in learning all the techiques and ideas in machine learning. ploration and Manipulation. Machine Learning algorithms.

Data Science (08/2020 - 09/2020) 🔗
The training consisted of introduction to Data Science ,Python for Data Science .Statistics for Data Science and Predictive Modeling . Basics of Machine learning Modules.

Cloud Computing with AWS (08/2020 - 10/2020) 🔗
Fundamentals of Cloud Computing.Amazon compute services.Storage and Backup services.Networking and Content Delivery

Introduction to Artificial Intelligence(AI) Coursera (06/2020 - 07/2020) 🔗
Introduction to Artificial Intelligence
